

**June - July 2019**

## **Architects - Hospitality/mixed use experience**

ACME is seeking architects with a minimum of 3-4 years of working experience to join its London team.

ACME is a London-based practice operating in the fields of contemporary architecture, urban planning, interior and product design; working with private, corporate and public clients.

We are looking for exceptional and enthusiastic architects for a number of hospitality and mixed use projects.

Ideal candidates must have proven professional experience:

- Outstanding design and technical skills;
- Excellent AutoCAD, Revit, Rhino, 3D Max and Adobe Suite knowledge;
- Good communication skills with a fluency in written and spoken English;
- Confident in interfacing with team members;
- Comfortable working to tight deadlines;

Advantageous experience in:

- Planning applications in the UK;
- Hospitality;
- Offices;

Ideal candidates will also bring the right blend of confidence, patience, management skills and humour to complement a young and dynamic studio environment.

A competitive salary will be offered depending on experience. Full time position – immediate start or asap, so candidates are encouraged to apply asap.

Applications should be made to [hr@acme.ac](mailto:hr@acme.ac) (PDF, max 8MB, subject line: Architect 0719)

Please include a cover letter stating your visa status, notice period and salary expectations along with your CV and portfolio.

ACME is an equal opportunities employer.

We regret that only successful candidates will be contacted.
